WHEREAS, the onslaught of Super Typhoon Odette brought severe damages to the people of this municipality based on the result of the Rapid Damage Needs Assessment (RDNA) conducted by the composite team of MDRRMO, MSWDO, MEO and MAO, which revealed that 100% of the total population were considered Internally Displaced Persons (IDPs) and that all of

the six barangays mean of livelihood (fishing & farming) including shelters and infrastructure projects owned by the government and private individuals were greatly devastated and severely damaged;
